### Dragons' Den voting

SW & RW shared a presentation about Big Local & Dragons' Den. Online voting system was demonstrated – Menti.com for possible use for Dragons' Den. A lengthy discussion took place about voting using online and paper and how to prevent cheating in the voting. A minimum age for voting was also discussed.

Agreed:- Minimum age set at 12 years for this year.  
Paper voting will be used.

5 Tables were laid out with different areas of Big Local work/information.

1. Health and well-being focus on obesity in childhood
2. Dragons' Den voting
3. Training opportunities
4. Looking ahead
5. Finances and other questions

A good general interest was shown from all participants, with lots of questions asked and information disseminated.

All participants were encouraged to make comments on sheets provided regarding key questions/statements, and about organisation. A lengthy discussion took place regarding obesity and the national campaign.

A further training opportunity was highlighted: 15<sup>th</sup> June – Bristol – Thinking about setting up a community hub.

Good active session.
