

## Partnership Update 9<sup>th</sup> Sept 2020

We had a very useful and fun Zoom meeting. Rob took us on a visual tour of the local area and tested our knowledge of local statistics with an entertaining quiz. After that we went into breakout groups and got creative with ideas for the final year of the current plan. We covered... how to get support to young people whilst our Learn to Lead programme is paused; how to get support to individuals and groups to make good things happen whilst our Dragons' Den is postponed; how to engage more people to join the Partnership and to take part in any consultations. Rob will investigate the practicability of the ideas put forward and report back to the Partnership [present: Emily Merco, Robin Moss, Marlene Morley, Ron Hopkins, Becky Brooks, Sue Hill, Liam Kirby, Rob Wicke, Julian Mellor, Elizabeth Derl-Davis]
