Big Local | Radstock & Westfield CIC Making the most of £1million

A lengthy discussion followed regarding these proposals. RW explained the decision making process between the Partnership and CIC. **RM summarised discussion**: Accept both proposals Green Spaces and C&YP. It was recommended the payment for C&YP proposal should be phased, subject to delivery. Concerns expressed regarding sustainability. Declarations of interest need to be raised at Partnership Meetings, which will not affect voting. MM will ensure this happens at all future partnership meetings. Green Spaces – agreed C&YP – agreed subject to..... Due diligence process and staged payments. MM reported on other green spaces project discussed at Partnership meeting-The partnership are really interested in refurbishing the public toilets at the Tom Huyton Recreations Ground. Sustainability: RM and RH met 3SG trustees on 21st March to discuss possibility of 3SG taking on employment of worker on Partnership's behalf. Progress report and next steps/actions to be discussed. Discussion followed. It was agreed to defer CIC discussion until after RW & RM have met. Dragons' Den: RW reported: The event went to plan. Feedback from participants and dragons has been positive. Most of the winners have submitted their signed t&c in order to receive the funds, RW is chasing this up. Any underspend from the event is to be put into the Small Fund pot. **Communications / Strategy:** RW met with coms expert Gill Kirk (who attended Dragons' Den event), as requested. She was clear that any comms should follow our strategy - i.e. we must first all be crystal clear on where we're going, why we're going there, and how we're going to get there... this will inform how we communicate our message and to whom. She may be able to support us (at a cost) with the strategy should our time with Locality run out before we have it completed. RW- Gill does need to see our strategy and comms, which we are still not entirely clear on, so this is an area of work that needs to be done. Do we want this as just CIC, or CIC and Partnership? This item will continue onto the next agenda and meeting. Partnership have decided to not take out any more adverts in the Journal for the time being. 7. Finances

Finances discussed Partnership Spend from phase 2 (includes payment 2 and remainder of payment 1) as of 12.04.2024.
